

Hello,

We are committed to providing our patients with the most innovative and advanced treatments available in facial aesthetics. **RADIESSE** dermal filler has recently received **FDA approval** expanding its uses to include the correction of facial folds and wrinkles. Our practice is very excited to be able to offer this next generation in longer lasting wrinkle correction.

Patients love **RADIESSE** because it's:

- **FDA-APPROVED** to safely correct folds and wrinkles around the nose and mouth, including Nasolabial Folds
- Lasts **LONGER** than the former leading filler
- Stimulates your skin to produce **NEW COLLAGEN**
- **IMMEDIATE** correction in a treatment that can be performed over your lunch hour!

I would love to sit down with you to develop a customized facial rejuvenation plan and discuss whether **RADIESSE** is the right option for you. **Please call us today to schedule a complimentary consultation.**

Best regards,

Dr. Randa Sawan, M.D.
